LU Career Development Center

The Career Center exists to help students and alumni in the areas of career exploration, career development, intern/co-op employment, part-time and volunteer positions, Community Work Service/America Reads, as well as professional employment upon graduation.

The Career Development Office coordinates on-campus interview and resume/job matching programs, bringing together LU students/graduates and representatives from business, industry, governmental agencies, and educational institutions. The staff also conducts job search seminars, hosts or co-hosts a variety of career events, and maintains a Career Information Center.

LU Career Services has partnered with Symplicity, a leading provider of custom online career center management software, online event management, and recruitment solutions. Our online career center management program, the “LIONetwork,” provides the following services to students:

- resume approval/rereferral
- job search/postings
- interview and event management.

To access the LIONetwork, go to https://lindenwood-csm.symplicity.com/

Vault

Vault is a great resource tool for Liberal Art Students to gain perspective on employers and career paths. There are many resources available through Vault that can help students with making resumes, preparing for interviews, conducting thorough research on employers, and increasing knowledge about career paths. Vault offers access to 39 Career Guides that provide information on a variety of careers in different industries. They also offer interview prep, which can help build student’s confidence and performance. Students can look up different companies and receive the “Vault’s Scoop” to learn the “ups” and “downs” provided on featured employers as well as get “tips from the inside.” The Vault posts jobs and internships and gives listings of the top internships programs.
