For Your Information
Important LU Academic and Administrative Information

September 15, 2011

The following subject area has a new post.

This email will be archived in the Executive Documents Folder on the J-Drive for future reference.

Academic Affairs

Please note the clarification highlighted in pink in the first line of the WPA document sent out yesterday in FYI:

Who must take the Writing Proficiency Assessment (WPA)?
All undergraduate semester (not LCIE) students who enrolled at LU for the first time (whether first-time students or transfer students) in the fall 2006 semester or later must take the WPA prior to graduation.

This clarification is added to the attached revised WPA Instructions.
