THE LINDEN TREES ARE WHISPERING

By Pat Lathorne

Who is this ancient doer of Jessie Wilson's? It seems her every wish is his command. Burtick Ross was seemingly out of this world this past weekend. Could it be the presence of that first Rintarn? The library staff seems to have a new assistant. It seems he only happens when Kilburn's in charge.

Why was it that Harley was so eagerly asking for more time after Jo was crowned Pop queen? "Oh, what again?" seems to be Carol's response to most of the issues of what with so many phone calls from Drew.

Betty Hunt... this is just so she can get her name in the paper. Most often heard statement on campus now is "Fifth for St. Louis."

A pleasant surprise came for Caroline when George arrived several days early and with a discharge. Crew cuts are again becoming the vogue in Lindenwood. With cars becoming more scarce all the time Jan Miller and man were seen riding in a truck. Never a dull moment for Jack.

Faculty And Students Await Press Club's Third Annual Gridiron Dinner

The grid is hot, the skits are scintillating, and faculty and students alike are viewing the Press Club's third annual Gridiron Dinner, to be given in Ayres dining room on February 27. From pork pies to balloons, from faculty to freshmen, it is reported that the choirs of the gridiron have but one unnoticed and unstarted. Caroline Gillette, president of the club and editor of the 1946 Linden Leaves, wil preside at the dinner. As a custom of the club, members of the faculty will be given the opportunity for refreshment at the close of the program. Planning the dinner and producing the program are under the direction of several committees. In charge of production are Caroline Gillette, Jacqueline Whitcomb and Carol Clayton.

The skits are being written by Kay Mays, Kay Corbin, Ann Parker, Martha Sellitig, Doris Miller, Janet Luce, Helen Horvath, Kathryn Hoxlund, Jane Blood and Virginia Jefferson.

The refreshments committee includes Mervell Ryan, Rita Mac Alae, Louise Ritzer and Janet Brown.

Crew of S.S. Lindenwood Sends Letter of Thanks For Gift of Ship's Library

When the high winds blew on Oki- nawa, it was agreed that the ship S.S. Lindenwood Victory was anchored just off shore. As a consequence the ship was blown upon the shore and is now undergoing repairs. The Lindenwood Victory was named for the college in recognition of its war bond purchases. With the same ceremony Lindenwood placed a library aboard a letter. A letter from a member of the crew expressing its gratitude and appreciation and giving us news of our ship has been received by the college. The letter follows:

"Marvin and Misses! We have been past months I have been reminded of your kindness and generosity in placing a library aboard our ship. We appreciate the committee which made the selection deserves special mention as there was material to satisfy each one. It is always interesting to read a new author and I personally made several new friends in this way. The bronze plaque and pennant were delivered aboard our crew and arrived in New York and have been placed in an appropriate place. I wish to express the gratitude of the crew and to indicate that we certainly appreciate your continued interest. At the present time is undergoing repairs after being blown aground on coral reefs near Okinawa. She is gradually taking on her military bearing and as the guns are removed and the war paint concealed, we can sense a certain impermanence slumbering below decks in this destroyer, to be for the high seas. I know who will hold her battleship very high as she drops the pilot and takes the name of Lindenwood Victory.

"Thank you again for remembering your name in so well."

L. C. Lassies Work For Red Cross And Go To Clothing Drive

Lindenwood started its second annual Red Cross Drive this past weekend. The L. C. Lassies searched their wardrobes and found appropri-

tate articles which they were willing to give to the war sufferers of the occupied countries of the world in the nation-wide Victory Clothing Cloak Drive.

The students contributed $790 to the annual Mlle of Dimes campaign. This money went to the National Infantile Paralysis Foundation and will be used in the fight against the dread disease. (Lindenwood Chappell at the Red Cross Drive at the chapel.) The girls continue their good work during the spring term. They have been asked to make about 300 pairs of children's mitts in March.

The present plans are to turn the work into play by turning it into some sort of social event, since according to the program of the Red Cross organization, the girls will not have to provide only mittens and battle.

Several Changes Are Made In Faculty For The Second Semester

Several changes have been made in the faculty this semester. Miss Ruth Marner, who has been her assistant in the Personnel Office, has undertaken the instruction of several Physical Education classes.

Miss Marjorie Snider, who taught Spanish the first semester has resigned to assume a full-time professorship at Washington University.

A new member has been added to the faculty. She is Mrs. Rikinson who is the instructor of the Merchantile Law course, and which is being given this semester. Mrs. Rikinson was a buyer for several large stores in New York. Her trips were not limited to the United States alone, but took her to foreign countries as well. Mrs. Rikinson spent several years in the Orient.
