Who haunts the haunts of Lindenwood
And returns to where she first stood?
Who haunts the haunts of Lindenwood
And would return if she could?

The answer: MRS. SIBLEY'S GHOST

You should see Mrs. Sibley Friday night
Roaming the campus by twilight.

You're invited to catch her
(If you can), but don't be surprised
If she slips thru your fingers
And past your eyes.

She'll be arriving at 8:30
At Sibley Hall
To open the festivities
of her Halloween Ball

She'd like to see costumes
So don't hesitate,
Follow her at 8:30
and DON'T BE LATE!!!
